JENNIFER MARIE STATELY,

18 U.S.C. § 1153(a)

Minn. Stat. § 609.378, sub.1(a)(1)

Defendant.

THE UNITED STATES GRAND JURY CHARGES THAT:

**OVERVIEW**

1. On March 15, 2024, Jennifer Marie Stately and Minor A, Minor B, and Minor C were home alone when Stately attacked and killed Minor A and Minor B. Stately slashed at Minor A and Minor B with a knife or other sharp object and then set fire to the family home. Stately fatally stabbed Minor A in the chest. Minor B suffered non-fatal stab wounds but ultimately died from carbon monoxide poisoning—that is, smoke inhalation due to the fire Stately started.

2. Stately then took Minor C to her vehicle and fled the scene. That night around 9:00 p.m., an AMBER alert was issued. It worked. A motorist spotted Stately's vehicle and contacted law enforcement to report Stately's location. Acting on that information, law enforcement stopped Stately's

vehicle. Stately was driving the vehicle, while Minor C was in the back seat. When law enforcement recovered Minor C, they discovered that Minor C was suffering from visible signs of child neglect, including open sores and lesions on his body and rotten teeth in his mouth.
